

Dear Parents,

Hi, we are Ms. Laine and Ms. Soto and we will be your child's teachers this year. We are so excited to meet you and your child. Although things will look different we are still dedicated to making this a great year. Your child will be learning and growing in so many ways. Academically they will be learning to read, write and complete math problems. As well as explore the world through Science and Social Studies activities. Socially they will become more independent and meet so many new friends.

Some students we will see in the classroom and others through Zoom meetings. As we may face some challenges we are confident that together with your help your child will learn and grow throughout the year.

If you should have any questions we can be reached by phone or email.

Phone: 516-292-2060

Ms Laine: llaine@ecsl.org

Ms. Soto: dsoto@ecsl.org

We hope you are as excited as we are for the first day of school. Enjoy the rest of your summer!

Sincerely,

Ms. Laine

Ms. Soto
